

You can make a difference!

Individuals and chapters can support the work of the Educational Foundation by making pledges and planning for future gifts. This new endeavor offers boundless benefits, such as: funding of approved Classroom, School, and Community Projects; enhancing Professional Development; supporting Beginning Teachers; funding to pursue Personal Growth Opportunities.

Pledges

Making a Pledge now is your promise to support the Educational Foundation with a tax deductible contribution at a later date. The Foundation Board is actively pursuing tax deductible status from the IRS. As soon as IRS approval is received, those making pledges will be notified and donations will be collected.

Planned Giving

A planned gift is a contribution given with forethought. It may take the form of an outright gift or a bequest through your will or other estate planning.

Planned Gifts provide the necessary financial resources that impact the future work of the Foundation. Leaving a legacy to generations of key women educators is a rewarding and noble act.

For more information about future tax deductible Planned Giving, please contact a member of the Educational Foundation Board of Directors.

CHALLENGE

The North Carolina
Delta Kappa Gamma
Educational Foundation

What is the 100 Challenge?

The Educational Foundation invites you to participate in an event to help *Launch A Dream*, offering boundless benefits to educators.

Each region in Eta State is challenged to get 100 pledges of \$10 each. These pledges can come from individuals or chapters. Chapter presidents will collect pledge cards and send them to Regional Directors. No money will be collected at this time.

Pledges give the Foundation a way to project the amount of money that may be donated when contributions begin. Money will be collected after IRS approval of tax deductible status and following ratification of the Foundation Enabling Act by the Eta State membership.
